SEAL PORTIONS OF ITS MOTION FOR LEAVE TO FILE A SECOND AMENDED COMPLAINT REPLY

I, Lindsay Cooper, declare and state as follows:

1. I am an attorney licensed to practice in the State of California and am admitted to practice before this Court. I am a partner at Quinn Emanuel Urquhart & Sullivan LLP representing Google LLC ("Google") in this matter. I make this declaration in support of Google's Administrative Motion to File Under Seal Portions of its Motion for Leave to File a Second Amended Complaint Reply ("Google's Administrative Motion"). If called as a witness, I could and would testify competently to the information contained herein.

2. Google's Administrative Motion seeks an order sealing the following materials:

Document	Portions to Be Filed Under Seal	Designating Party
Portions of Google's Reply	Portions highlighted in green	Google

3. The portions of Google's Reply highlighted in green contain confidential business information and terms to confidential agreements that are not public. Public disclosure of this information would harm Google's competitive standing and its ability to negotiate future agreements by giving competitors access to Google's highly confidential business thinking and asymmetrical information about Google's licensing strategies to other entities. If such information were made public, I understand that Google's competitive standing would be significantly harmed. A less restrictive alternative than sealing the highlighted portions would not be sufficient because the information sought to be sealed is Google's proprietary and confidential business information but is necessary to the argument in Google's Reply.

I declare under penalty of perjury that to the best of my knowledge the foregoing is true and correct. Executed on December 7, 2021, in Mill Valley, California.

DATED: December 7, 2021
